

General Manager's Meeting Summary

March 2019

3/8: American River Flood Control District Board of Trustees meeting.

The Board met in regular session. The agenda items included the draft FY 2017-18 Audit, a permit application for a home remodel within the American River Floodway, and a request from the City of Sacramento to allow a portion of the Two Rivers Trail to be placed on top of the District's levee in River Park.

3/20: Central Valley Flood Control Association Board of Directors meeting.

I attended this meeting to coordinate on regional flood operations and maintenance topics. Items of discussion included the Association's By-Laws, a proposed statewide flood control assessment, agricultural flood insurance zones, and discussions with State officials on flood funding prioritization.

3/20: CVFCA Annual Flood Forum. Office Manager Chapman and I attended this forum to hear discussions on various funding mechanisms for flood operations and maintenance efforts and new capital projects.

3/22: Two Rivers Trail Site Visit. Trustee Vender Werf and I toured Segment 4 of the City's Two Rivers Trail project in River Park.

3/26: Steelhead Creek Clean-up Coordination meeting. I met with representatives of Sacramento City Parks, Sac County Regional Parks, the State Department of Fish and Wildlife, Sac County Environmental Management Division, RD 1000, and the Central Valley Regional Water Quality Control Board to discuss ongoing cleanup responsibilities within Steelhead Creek.

3/27: Two Rivers Trail Site Visit. Trustee Shah and I toured Segment 4 of the City's Two Rivers Trail project in River Park.

3/29: American River Flood Control District Board of Trustees Special meeting.

The Board met in special session. The agenda item was to consider a request from the City of Sacramento to allow a portion of the Two Rivers Trail to be placed on top of the District's levee in River Park.
