POLICY TITLE: Conflict of Interest
POLICY NUMBER:

The Political Reform Act, Government Code §81000, et seq., requires state and local government agencies to adopt and promulgate conflict-of-interest codes. The Fair Political Practices Commission (“FPPC”) has adopted a regulation (2 Cal. Code of Regs. §18730) which contains the terms of a standard conflict of interest code. It can be incorporated by reference and may be amended by the FPPC after public notice and hearings to conform to amendments in the Political Reform Act.

The Board approved and adopted the FPPC’s standard conflict of interest on [insert meeting date or year]. Therefore, the terms of 2 Cal. Code of Regs. §18730 and any amendments to it duly adopted by the FPPC are hereby incorporated by reference and, along with the attached Appendix , in which members of the Board of Trustees and employees are designated, and in which disclosure categories are set forth, constitute the conflict of interest code of the American River Flood Control District

Board members are responsible for ensuring their compliance with all relevant conflict of interest and reporting requirements. Board members with questions regarding a perceived or actual conflict of interest shall promptly raise the issue with the General Manager, Board Chair, and/or General Counsel to receive an appropriate resolution.
