

## American River Flood Control District

### Purchase of Bobcat Compact Track Loader from Sourcewell Cooperative Purchasing

#### Staff Report

**Discussion:**

State law requires that purchases over \$25,000 must be made through a public bidding process. This ensures that public funds are spent on items at the best available price. In the past, the District has acquired large equipment through solicitation of public bids or through cooperative purchasing program such as the CA Multiple Award Schedule or Sourcewell. Cooperative purchasing programs have already bid the items for sale publicly and include discounted rates based on collective bidding.

The District recently obtained a cost quote for a compact track loader from Bobcat at the Sourcewell cooperative purchasing rate. The Sourcewell rate is the best available price for this model of Bobcat Compact Track Loader. The total price of \$73,824.94 includes:

- Bobcat Compact Track Loader
- Enclosed cab with heat and AC
- Rear Camera Kit
- 74" Loader Bucket
- 74" Industrial Grapple Bucket
- 90" 6-Way Dozer Blade
- 74" Combo Bucket
- Flail Cutter Head

**Recommendation:**

The General Manager recommends that the Board of Trustees approve the purchase of a Bobcat Compact Track Loader from Sourcewell.
