

General Manager's Meeting Summary

November 2020

11/6: ARFCD North Systems Letter of Intent (SWIF) meeting. I met with Claire Marie Turner from MBK Engineers to discuss the approach for updating our Letter of Intent. New Army Corps requirements include submitting a workplan with the LOI.

11/11: ARFCD Roof Repair/Replacement Construction Meeting. I met with Don Mariano from Lionakis and Dennis Philips from Rua and Son to discuss progress on the roof project. Roof construction is complete and the only remaining items are to install the vented doors, complete the insulation, and connect the wiring for the HVAC.

11/9: Interview with Levee Maintenance Worker, Range A Candidate. Superintendent Kawamura, Field Supervisor Webb and I met with a candidate for the Levee Maintenance Worker, Range A position.

11/13: American River Flood Control District Board of Trustees meeting. The Board met in regular session. The agenda items included a resolution to adopt a GM Incentive Pay Policy and an encroachment permit application from a resident in River Park to keep an existing encroached fence.

11/23: Del Paso Triangle Site Visit. Superintendent Kawamura, Field Supervisor Webb and I met with Pro Mitra from MBK Engineers to inspect the levee between Del Paso Boulevard and the UPRR tracks. It was determined by SAFCA that the landside of the levee requires slope stabilization. Mr. Mitra asked if ARFCD would consider performing the work.
