

General Manager's Meeting Summary

January 2019

1/4: Meeting with Cara Allen from the Lower American River Conservancy. I met with Cara Allen to provide a brief overview on the American River Flood Control District. Ms. Allen works for the Wildlife Conservation Board and is the program manager for the Lower American River Conservancy. The Conservancy is a fund center for grants to assist stakeholders in the Lower American River on capital improvement projects.

1/7: SAFCA Agency Staff meeting. I attended this meeting to coordinate on local flood control topics. Items of discussion included LMA coordination for work near homeless camps, the new General Manger for RD 1000, erosion sites along the City of Sacramento levee, and tree toppling due to the recent storm.

1/7: SAFCA Watershed Management meeting. I attended this meeting to coordinate on best management practices for addressing homeless camps within the area's floodways and levee easements. SAFCA plans to host coordination meetings between the LMAs and the City and County.

1/10: Hansen Ranch Site Visit. Superintendent Kawamura and I met with KC Sorgen from SAFCA to discuss having the District remove unnecessary access ramps and fencing along both sides of the Dry Creek Floodway at Hansen Ranch. Ms. Sorgen indicated that the District could keep the earthen embankment material from the access ramps upon their removal.

1/11: American River Flood Control District Board of Trustees meeting. The Board met in regular session. The agendized items included a contract to install roll-up doors and actuators in the warehouse, discussion of audio recording Board meetings, and a memo on District Priorities for 2019.

1/18: Deferred Maintenance Project Pipe Inspection Meeting with Mead and Hunt. I met with Nancy Moricz from Mead and Hunt to discuss her team's progress on the identification and mapping of the eligible pipes under the State's Deferred Maintenance Grant program. Ms. Moricz color coded the pipes for differing classifications and mapped them in an electronic visual database. Ms. Moricz plans to brief the Board on her progress at the February meeting.
