

General Manager's Meeting Summary

March 2021

3/2: High Hazard Trees Levee Tour. Superintendent Kawamura, Field Supervisor Webb, and I met with Pro Mitra from MBK Engineers to tour the levees and update the High Hazard Tree database.

3/4: DWR Local Maintaining Agency Coordination meeting. Superintendent Kawamura and I attended this meeting to discuss the status of DWR inspections, USACE projects, and State grant programs.

3/9: DWR Levee Inspection meeting. Superintendent Kawamura, Field Supervisor Webb, and I met with DWR levee inspectors to discuss the upcoming Spring Inspection.

3/12: American River Flood Control District Board of Trustees meeting. The Board met in regular session. The agenda items included an encroachment permit application from CalTrans for the Business 80 American River Bridge Widening and consideration of a proposal to join the Water Forum.

3/17: Central Valley Flood Control Association Annual Members meeting. I attended this meeting via teleconference to discuss regional levee operations and maintenance topics. Items of discussion included the State's 2022 update to the Central Valley Flood Protection Plan, revisions to Title 23, and adding 'system features' to the Corps' O&M Manuals.

3/23: Lower American River Bank Protection Working Group meeting. I attended this meeting via teleconference to get an update on the Corps' bank protection contracts planned for construction in 2022.

3/24: Gristmill Parkway Maintenance meeting. I attended this meeting via teleconference to discuss levee and Parkway maintenance with residents of the Mayhew/Gristmill area and staff from Sacramento County Regional Parks.

3/24: Sacramento County Local Hazard Mitigation Plan Web meeting. I attended this meeting via teleconference with representatives from the County of Sacramento and numerous Special Districts to discuss the 2021 update to the Local Hazard Mitigation Plan. This meeting focused on goals for the participating agencies and municipalities.

3/25: ARFCD Trane HVAC Controls Project meeting. I met with staff from Trane to look at our project site and to go over the project schedule.

3/25: US Army Corps Geotechnical Explorations meeting. I attended this meeting via teleconference to receive a briefing on the planned geotechnical explorations in the Lower American River.

3/30: Sacramento County Local Hazard Mitigation Plan Web meeting. I attended this meeting via teleconference with representatives from the County of Sacramento and numerous Special Districts to discuss the 2021 update to the Local Hazard Mitigation Plan. This meeting focused on mitigation actions to be included in the individual annexes to the plan.
